The Moment I Took Control, To Save My Life!

"James' story is a true inspirational one. He's made me think about how I can change my life for the better" - Simon Lovell

Available in Paperback, and e-book

Coming Soon!

In The Beginning
I was a fun-loving little boy who had my whole future ahead of me. I did well at school but hated sports day!

The Crash
But one fateful February afternoon in 1986, the course of my life changed dramatically. A car crash left me fighting for my life...

No More. Nearly The End...
I'm here to tell this amazing story, but it could have been so different. Why did I not jump?

What they Say?
Whether you're looking for inspiration or maybe are mentally on the edge yourself, this book contains inspiring content that makes you sit up and smile.
- Simon Lovell

Reasons to Buy
Many books have been written about self help and things to make life better or easier. I have read lots of these books myself over the years. Some I have found useful and others condescending. I would like a book that instead of telling me what to do actually gives an
